

HUGH FARROW

SHOOTING PRODUCER / DIRECTOR
DOCUMENTARY

Highly experienced Shooting PD and drone operator specializing in documentary and factual entertainment across scripted and observational formats.

I bring strong directorial skills in both single and multi-camera setups, capable of working independently or leading small teams. My expertise spans various documentary genres, including Challenge & Adventure, History, Sports, Personal Stories, Observational, and Cultural content.

I excel in high-pressure environments and quick turnaround projects, delivering successful outcomes both internationally and in challenging, often dangerous, settings. Additionally, I'm a versatile producer of both long and short-form content, working confidently with seasoned presenters and emerging talent. I'm proficient in multicam interviews, lighting techniques, and leading studio shoots.
